

JABRA WAVE

Bluetooth[®] Headset

Works with any Bluetooth[®] enabled phone

DATASHEET

Immerse yourself in incredibly clear sound

The Jabra WAVE Bluetooth[®] headset always looks and feels great. When you put it on, you can wave goodbye to noise. Powerful wind-noise reduction technology ensures clear hands-free conversation in all conditions, while HD Voice* lets you hear every word with pristine clarity. This exceptional sound quality can also be appreciated when you enjoy streaming your favorite multimedia - GPS, music, and podcasts - directly from your Bluetooth[®] device to your headset. There's no need to choose just one device to stay connected to, since with Multiuse™, you'll be able to connect to two active Bluetooth[®] devices simultaneously. You will enjoy a truly wireless experience with Voice Guidance, which lets you know your headset's battery and connection status without having to touch your phone.

Jabra WAVE is exceptionally comfortable, since its classic behind-the-ear style makes it perfect to wear all day. Wear it to work, to walk or in the car, and enjoy crystal clear hands-free conversations wherever you are.

A Answer/end button

B On/off slider button

C StatusDisplay™
Shows battery and connection status

D Charging socket

E Volume up/down

F Jabra Comfort Eargel™
G Wind sock

Quick Start Guide

Charge your headset

While charging the headset, the battery indicator will show solid red. When the headset is charged, the battery indicator will turn solid green and turn off after 5 minutes. Charging time is approximately 3 hours.

Turning your headset on and off

Slide the "on/off" button to turn the headset on or off. If on, the StatusDisplay™ will light up.

Pairing the headset with your phone

First time pairing: When you turn on your Jabra WAVE for the first time, the headset will automatically start up in pairing mode and show a flashing blue light. For later, pairing turn your headset on, press and hold the answer/end button until the Bluetooth indicator flashes blue. Activate Bluetooth on the phone and set your phone to search for Bluetooth devices and select Jabra WAVE. Press 'Yes' or 'OK' on the phone and if asked for a PIN code, confirm with PIN code 0000 (4 zeros).

Voice Guidance

Connection Voice Guidance

When your headset has successfully established connection with your phone and is ready to be used, the Jabra Voice Guidance will say "connected".

Battery Low Voice Guidance

When your headset has battery for less than 30 minutes, the Jabra Voice Guidance will say "low battery". This message will be repeated in 10 minutes intervals.

Using your headset

Answer a call – Tap the answer/end button on your headset.
End a call – Tap the answer/end button to end an active call.
For extra windy situations, Jabra supplies a wind sock that improves the wind noise reduction even further.

Wearing style

The Jabra WAVE behind-the-ear wearing style allows you to wear the headset on both ears simply by twisting the eargel to fit the left or right ear. The eargel comes in two sizes to ensure a good fit for all.
