ML20™	M25™	M55™	Marque 2™	M1100™ Savor™	Voyager Legend™

Ideal for:

ML20™	M25™	M55™	Marque 2™	M1100™ Savor™	Voyager Legend™
First time users looking for simplicity. They want to be legal in the car, but also to take advantage of the hands-free capabilities.	Users looking for convenience. They want a headset that gets them going quickly and rely on mobile technology to stay in touch while on the move.	Users looking for maximum convenience. They want a headset that gets them going quickly and rely on mobile technology to stay in touch while on the move.	Mobile professionals looking for aspirational products that not only simplify their lives but improve their communication experience.	Mobile professionals looking to control their smartphones with their voice.	Mobile professionals who are extremely heavy users of headsets as they need to keep in touch via voice as their travel burden is heavy, not just cars, but trains and planes.

Product benefits:

ML20™
- Noise-cancelling microphone reduces background noise, for outstanding audio quality and wearing comfort
- WindSmart® technology suppresses disruptive outdoor weather noises
- up to 11 hours talk-time, for more talking and less charging
- Power on/off switch extends battery life
- iPhone displays headset battery meter
- Automatic voice alerts whisper talk-time, volume, connection status and more
- Comfortable and fits either ear
- Works with Bluetooth® phones

M25™
- DeepSleep™ mode extends battery life for up to five months
- Stream music, podcasts, Internet radio, GPS directions and more
- Voice alerts whisper talk time, battery level, and more
- Reduces noise, wind, and echo from calls
- Enhances clarity on wideband-enabled smartphones
- Fits comfortably in either ear with a super soft ear tip/gel
- MyHeadset™ app helps you get paired quickly, provides an animated user guide and much more
- Onscreen battery meter

M55™
- DeepSleep™ mode extends battery life for up to five months
- Stream music, podcasts, Internet radio, GPS directions and more
- Take calls without pressing a button – just say "Answer"
- Voice alerts whisper talk time, battery level, and more
- Reduces noise, wind, and echo from calls
- Enhances clarity on wideband-enabled smartphones
- Fits comfortably in either ear with a super soft gel ear tip
- MyHeadset™ app helps you get paired quickly, provides an animated user guide and much more
- Onscreen battery meter

Marque 2™
- DeepSleep power-saving mode, extends battery life and helps keep your headset ready for the next call
- Combination 2-in-1 charging kit charges your headset and phone simultaneously from your computer or car
- Just say "Answer" or "Ignore" to handle your calls
- Universal-fit gel eartip conforms to all ear shapes
- Use your headset to listen to music, movies, Internet radio, and GPS
- Use the MyHeadset app to learn about the features of the Marque 2 – record and share memos, do a pre-call sound check, or discover streaming audio
- Onscreen battery meter

M1100™ Savor™
- Convenient voice commands to control your headset*
- Vocalyst™ service lets you listen to emails, send voice emails and more (West EURO SKU only)
- Three microphones deliver superior sound quality
- AudioIQ™3 and DSP reduce background noise
- Streams music, podcasts, GPS and more
- Voice alerts whisper talk-time, volume, connection status and more
- Power on/off switch extends battery life
- Onscreen battery meter
*EN/FR/DE/ES

Voyager Legend™
- Smart Sensor technology intuitively directs calls to your phone or headset, pauses music for incoming calls, and allows you to automatically answer by simply placing the headset on your ear
- Multi microphones optimise your voice and minimise noise caused by wind, movement, and background sounds
- Tap the voice button to check battery level, connection status, or dial Vocalyst to hear emails, newsfeeds etc
- Announces incoming caller's name and lets you say "answer" to accept the call or "ignore" to decline.
- Separate power, mute, and volume buttons provide easy access and control
- Snap-fit magnetic charging connection
- Onscreen battery meter
- Comfort-tested, balanced design lets you put it on and forget it's there
