FX SERIES
INTERACTIVE WHITEBOARDS

THE FX SERIES IS THE PERFECT BLEND OF SLEEK DESIGN AND SMOOTH PERFORMANCE

The StarBoard FX Series of interactive whiteboards are the perfect centerpiece for any digital environment. The FX Series responds to both finger and pen to easily control your computer from your projected image. Included with every StarBoard is a set of software tools designed for multi-touch and multi-user collaboration. Choose between a 79" or 89" model for use with a standard or wide format projector.

FX SERIES PRODUCT FEATURES

- Available in 79" and 89" models
- Use a finger, stylus, or any object to operate
- 16 software shortcut buttons on each side
- Multi-touch and multi-user compatible
- Wall mount installation for added security
- Durable, magnetic surface for multipurpose use
- StarBoard Software included with purchase
