

PC 21

Make your
voice
heard

The perfect choice for Internet communication/VoIP: The PC 21 is an extremely comfortable single-sided headset that lets you hold a VoIP conversation without losing track of what is going on around you.

- **Excellent voice clarity** – noise-canceling microphone filters background noise out
- **Highly comfortable** – lightweight extendable headband for hours of use
- **Adjustable microphone boom** – easy correct microphone positioning which keeps the speech clear
- **Easy to use** – simply plug'n'play
- **Perfect gear for VoIP** – for office and home use
