Savi™ Go

Integrate PC and mobile communications with one wireless headset

UP TO 70 METRE WIRELESS RANGE

UNIFY PC AND MOBILE COMMUNICATIONS

UC+

Savi™ Go

Unify PC and mobile communications

Designed for mobile professionals in the office or on-the-go, the multipoint technology lets you seamlessly switch between calls received on your PC and mobile phone. With wideband audio that sharpens PC voice transmissions and streaming audio, the Bluetooth® enabled headsets feature a noise-cancelling microphone and ergonomically designed wearing options that maximise your comfort and productivity throughout the day.

Key features

Outstanding sound quality
· Wideband for best PC audio telephony
· Noise-cancelling microphone filters out background noise

Superior call management
· One-button call control manages PC or desk phone calls
· Connect and mix a softphone call on your PC with a call on your desk phone at the touch of a button
· Freedom to roam up to 70 metres

Innovative design
· Choice of lightweight wearing styles
· Intelligent enough to increase or decrease it's radio strength depending on the distance from the PC, ensuring optimum battery use
· Personalised settings such as ring tones and volume
· Software support for personalised settings such as ring tones and volume

Remote call controls with ring notification: answer/end, mute, volume +/-

Integrated base and charging cradle

Noise-cancelling microphone

Snap-on headband

Backed by Plantronics global service and support
